Elite & Elite Plus

TOILET PARTITIONS

Elite

MAXIMUM PRIVACY

With extended doors and panels mounted closer to the floor, Elite and Elite Plus toilet partitions deliver the ultimate in privacy by using full height continuous channels and Hadrian's unique "No-Sightline Solution" to completely eliminate all sightline gaps.

ELITE TOILET PARTITIONS

64" (1626mm) high doors and panels, mounted just 6" (152mm) above the floor. Floor mounted units are mounted 9" (229mm) above the floor. Available in headrail braced, ceiling hung, floor mounted and floor to ceiling styles.

ELITE PLUS TOILET PARTITIONS

72" (1829mm) high doors and panels, mounted just 6" (152mm) above the floor. Available in headrail braced, ceiling hung and floor to ceiling styles.

- Standard toilet partitions use 58" (1473mm) high doors and panels, mounted 12" (305mm) above the floor.
- Elite and Elite Plus toilet partitions can be mounted 9" (229mm) above the floor upon request.
- Standard, Elite and Elite Plus toilet partitions are available in powder coated and stainless steel finishes.

THE "NO-SIGHTLINE SOLUTION"

Hadrian's "No-Sightline Solution" features a full height continuous stop and hinge side filler to completely eliminate all sightline gaps around the door.

To promote a clean, unobtrusive appearance, components are painted to match powder coated partitions or brush finished to complement stainless steel material.

- The full height continuous stop distributes force evenly along the door.
- The continuous stop includes a full height rubber bumper to deaden sound and protect against wear.
- A metal keeper ensures secure latching and long lasting performance.
- The continuous stop and hinge side filler have no exposed fasteners on the exterior.
- Extruded aluminum parts are painted to match powder coated partitions or brush finished to complement stainless steel.
- The "No-Sightline Solution" is available for standard, Elite and Elite Plus toilet partitions.
- The "No-Sightline Solution" can be used in new and pre-existing installations.

hadrian®

Hadrian prides itself on being a professional and friendly company that is easy to deal with. We make it a priority to spend time getting to know our customers and work with them to meet the challenges of their specific market. Our local representatives ensure Architect, Interior Designer, Specification Writer, Government Planner, School Official and End-User sales coverage while also expeditiously addressing field support needs and jobsite concerns.
