

### Style Meets Durability

For sophisticated style in the most demanding environments, Hadrian's phenolic partitions just make sense. An upgrade to the everyday in every way, with better design, durability and privacy. When you need a high-end product from a company that delivers on its promises, look no further.

Privacy

Durability

Stylish Design

Versatility

## Restrooms Made Better

Hadrian phenolic partitions combine the style you're seeking with the durability you need. Available in 19 sophisticated colors, or customize a design to meet your vision. Upgraded designer hardware is included in your choice of matte black or brushed stainless steel, with an indicator latch that comes standard.

We offer the ultimate in privacy and versatility, ideal for all-gender and unisex restrooms. Options include extended heights and seamless continuous channel hardware; no-sight doors and pilasters are standard. Best of all, phenolic is one of the most durable materials out there – easy to clean and maintain; fireproof and perfect for high-traffic and high-humidity areas. Backed with a 25-year warranty (excluding hardware) for peace of mind.

## Why Choose Hadrian?

The Hadrian Way means exceptional service, error-free, on time, every time. We have a worldwide network of agents ready to help and an outstanding track record of reliability.
